It also contains more beneficial antioxidants and bioflavonoids. **NingXia Red** has over 30% higher S-ORAC score. Beneficial in supporting the immune function, cardiovascular health, and nourishes eyes. Contains a natural calorie-free sweetener supplying energy and stamina without stimulants such as caffeine.

Individual packets containing 2 fluid oz will soon be available in either a 30 pack, 60 pack and 90 pack. **NingXia Red** will be available in the United States, Canada and the United Kingdom at launch!

Testimony:

*“My husband has been having issues with his cholesterol for the past year or so. He starting drinking 1 oz. of the NingXia Red. He went for blood work 8 weeks after he starting using Ningxia Red and his cholesterol is **NORMAL**. The only thing he has been doing differently is drinking NingXia Red and taking Sulphurzyme and Multigreens.” LD*
